

FREE Safety Awareness Checklist

For Schools, Businesses, Faith Organizations & Families
Awareness. Preparedness. Peace of Mind.

This checklist is designed to bring awareness, education, and reassurance.

Safety does not begin with fear—it begins with visibility, preparation, and knowing support is in place. Whether you are responsible for students, employees, congregations, or family members, this checklist helps identify everyday security blind spots while reminding you that TDSS is here to help.

Safety Awareness Checklist

- Entrances, exits, and gathering areas are clearly visible
- Security cameras cover high-traffic and vulnerable locations
- Cameras are actively monitored—not just recorded
- Secondary entrances are secured and observed
- Lighting eliminates dark or isolated areas
- There is a clear plan for responding to concerning behavior
- Responders would have visual information during an incident
- People know what to report and how to report it
- Safety procedures are part of daily operations
- You feel confident someone is watching out for what matters most

Why Awareness & Visibility Matter

When incidents develop, time and information save lives. Real-time visual awareness allows faster, more accurate response and reduces confusion during critical moments. The more we can see, the more we know. The more we know, the better we can help.

How TDSS Helps

TDSS provides 24/7 security camera monitoring and proactive security solutions for schools, businesses, faith organizations, and families. We integrate with existing camera systems or deploy upgrades as needed, connecting them to our secure monitoring network. Live video is actively monitored by licensed security professionals with prior law enforcement and military experience.

FREE Security Risk Analysis

If this checklist raised questions or provided reassurance, a FREE Security Risk Analysis can help bring clarity. Conducted by a licensed security expert with prior law enforcement experience, this assessment identifies opportunities to improve awareness, response, and peace of mind.

Call 910-999-8377 (TDSS) to schedule your FREE Security Risk Analysis.

Preparedness brings confidence. Visibility brings faster response. TDSS is here to help protect what matters most.
